

AC900

LINKSYS AC900 DUAL BAND **SMART** Wi-Fi ROUTER
EA6200

SMART Wi-Fi

Access Your Home Network.
Anywhere. Anytime.

The Linksys AC900 Smart Wi-Fi Router delivers advanced wireless-AC technology for instantaneous video streaming and fast content sharing across devices. Smart Wi-Fi software allows users to remotely access and control the AC900 router and benefit from a suite of new capabilities all from the palm of their hand.

Bringing the latest in wireless-AC technology, the Linksys AC900 Smart Wi-Fi Router is built to streamline video streaming and deliver fast content sharing across devices. Wireless AC technology provides Gigabit Wi-Fi speeds and high-powered signal amplifiers, allowing large video or music files to download faster and sync. With dual-band speeds up to up to N300 Mbps (2.4 GHz) + AC867 Mbps (5.0 GHz)*, the AC900 ensures a better streaming and file sharing experience.

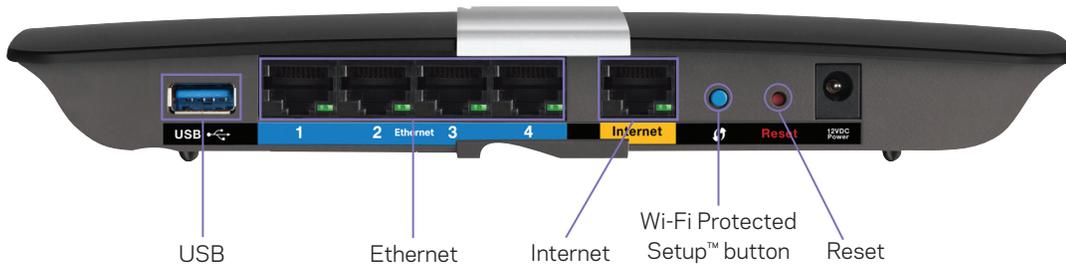

The AC900 router also offers the revolutionary Linksys Smart Wi-Fi Apps and Tools, which allows users to remotely monitor and control their home network any time, from virtually any location. A growing selection of apps including, "Block the Bad Stuff," "HipPlay," "Device Monitr" and more, provide additional customization possibilities to take a home network to the next level.

Key Features and Benefits

- **Powerful wireless performance:** Simultaneous dual-band speeds up to N300 Mbps (2.4 GHz) + AC867 Mbps (5.0 GHz)
- **Faster transfer rates:** USB 3.0 delivers 10x faster transfer rates than USB2.0 for photos, video and data files
- **Peace of mind:** With Linksys Smart Wi-Fi technology, users can prioritize devices or websites, gain parental control over content, monitor network activity, turn Wi-Fi access on or off and create select password-protected guest networks
- **Smart Wi-Fi apps:** A growing suite of apps offer improved opportunities to control one's home network
- **Improved signal reception:** Advanced Beamforming technology improves wi-fi reception by focusing the Wi-Fi signal to a select device within home environments that suffered from signal interference

AC900

LINKSYS AC900 DUAL BAND **SMART** Wi-Fi ROUTER EA6200

Package Includes:

- Linksys Smart Wi-Fi Router AC900, EA6200
- Quick Start Guide
- CD-ROM with Documentation
- Ethernet Cable
- Power Adapter

System Requirements:

For Router Setup and Linksys Smart Wi-Fi access:

Internet Explorer® 8, Safari® 5 (for Mac®),
Firefox® 3 or Google Chrome™

For Printer Sharing and User Documentation:

PC: Wi-Fi enabled with CD or DVD drive, Windows® XP SP3,
Windows Vista® SP1 or later, Windows 7, or Windows 8

Mac: Wi-Fi enabled with CD or DVD drive, Mac OS®
X Leopard v10.5.8 or later, Snow Leopard v10.6.1
or later, Lion v10.7, or Mountain Lion v10.8

User Documentation is also available at: www.linksys.com/support

Specifications:

Wireless Standards with Link Rate
IEEE 802.11 a/b/g/n/ac

Wireless Operating Spectrum:

Simultaneous Dual-Band
2.4 GHz and 5 GHz
AC technology perfect
for video streaming

Wireless Security:

Wi-Fi Protected Setup™ button
WPA2®-Personal
WPA2®-Enterprise
WEP encryption

VPN Support:

PPTP
IPSec pass-through

Media Specifications:

UPnP Server

Ports:

1x Internet
4x Ethernet
1x USB 3.0
Power

Product Weight (g.): 338

Product Dimensions :

22,5 cm x 16 cm x 2,5 cm

Packaging dimensions:

31,4 cm x 23,5 cm x 6,5 cm

*Maximum performance derived from IEEE Standard 802.11 ac specifications. Actual performance can vary, including lower wireless network capacity, data throughput rate, range and coverage. Performance depends upon many factors, conditions and variables, including products used, interference and other adverse conditions.

An 802.11 ac adapter will be needed to achieve 11 ac data rates and up to 867 Mbps wireless speeds may be achieved when connecting to other 802.11 ac 867 Mbps devices.

**May require a software/firmware update available for download at linksys.com/support.

Part Number

EA6200

Description

AC900 Dual Band Smart Wi-Fi Router

UPC / EAN

745883598465 / 4260184662890

Warranty

2-Year Limited
